Alpha Plus Combination Chart

System Name	Brand Name	Screws	Plates	Rods	Connectors	Cross Connectors	Others	Instrument Set Name	
Pedicle screw System	ALPHA PLUS	1. Alpha Plus Mono Screw		1. Connecting Rod	1. Denique Domino Connector One Side Open	1.Denique cross connector		ALPHA PLUS INSTRUMENT LIST	
		2. Alpha Plus Poly Screw		2. Transverse Connecting rod	2. Denique Domino connector Small open				
		3. Alpha Plus Reduction Poly Screw		3. Cygnet to Alpha connecting Taper rod	3. Denique Domino Connector two side open				
		4. Alpha Plus Alar Ilium Poly screw		4. Reliant plus Denique Taper Rod	4. Denique Scoliosis Domino connector				
					5.Denique extended axial connector				
					5. R55-cygnet full Taper Rod 5.5-4-600mm				6. Lateral offset connector closed
					7. Denique Domino connector				
					8. Reliant plus Rod to Rod connector				

Alpha Plus Combination Overview

Screws

1. Alpha Plus Mono Screw

2. Alpha Plus Poly Screw

3. Alpha Plus Reduction Poly Screw

4. Alpha Plus Alar Ilium Poly screw

Cross Connectors

1. Denique cross connector

Rods

1. Connecting Rod

2. Transverse Connecting rod

3. Cygnet to Alpha connecting Taper rod

4. Reliant plus Denique Taper Rod

5. R55-cygnet full Taper Rod 5.5-4-600mm

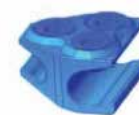

Connectors

1. Denique Domino Connector One Side Open

2. Denique Domino connector Small open

3. Denique Domino Connector two side open

4. Denique Scoliosis Domino Connector

5. Denique extended axial connector

6. Lateral offset connector Closed

7. Denique Domino connector

8. Reliant plus Rod to Rod Connector

Alpha Fen Combination Chart

System Name	Brand Name	Screws	Plates	Rods	Connectors	Cross Connectors	Others	Instrument Set Name
Pedicle screw System	Alpha Fen	1. Alpha Fen poly Screw		1. Connecting Rod 2. Transverse Connecting rod 3. Cygnet to Alpha connecting Taper rod 4. Reliant plus Denique Taper Rod 5. R55-cygnet full Taper Rod 5.5-4-600mm	1. Denique Domino Connector One Side Open 2. Denique Domino connector Small open 3. Denique Domino Connector two side open 4. Denique Scoliosis Domino connector 5. Denique extended axial connector 6. Lateral offset connector closed 7. Denique Domino connector 8. Reliant plus Rod to Rod connector	1. Denique cross connector		ALPHA FEN INSTRUMENT LIST

Alpha Fen Combination Overview

Screws

1. Alpha Plus Mono Screw

Rods

1. Connecting Rod

2. Transverse Connecting rod

3. Cygnet to Alpha connecting Taper rod

4. Reliant plus Denique Taper Rod

5. R55-cygnet full Taper Rod 5.5-4-600mm

Connectors

1. Denique Domino Connector One Side Open

2. Denique Domino connector Small open

3. Denique Domino Connector two side open

4. Denique Scoliosis Domino Connector

5. Denique extended axial connector

6. Lateral offset connector Closed

Cross Connectors

1. Denique cross connector

7. Denique Domino connector

8. Reliant plus Rod to Rod Connector

Rigid Combination Chart

System Name	Brand Name	Screws	Plates	Rods	Connectors	Cross Connectors	Others	Instrument Set Name
Pedicle screw System	Rigid	1. Rigid Mono Screw 2. Rigid Poly Screw 3. Rigid Reduction Poly Screw 4. Rigid Alar Ilium Poly Screw		1. Rigid Connecting Rod	1. Rigid Domino Connector 2. Rigid Extended Connector 3. Rigid Offset Connector 4. Reliant Plus Rod to Rod connector	1. Rigid Cross Connector	1. Rigid Anterior Staple	RIGID INSTRUMENT LIST

Rigid Combination Overview

Screws

1. Rigid Mono Screw

2. Rigid Poly Screw

3. Rigid Reduction Poly Screw

4. Rigid Alar ilium Poly Screw

Rods

1. Rigid connecting Rod

Connectors

1. Rigid Domino Connector

2. Rigid extended Connector

3. Rigid offset connector

4. Reliant Plus Rod to Rod connector

Cross Connectors

1. Rigid Cross connector

Others

1. Rigid anterior staple

Magnum Plus Combination Chart

System Name	Brand Name	Screws	Plates	Rods	Connectors	Cross Connectors	Others	Instrument Set Name
Spinal Fixation System	Magnum Plus	1. Magnum Plus Poly Screw 2. Magnum Plus Fen Poly Screw 3. Magnum Plus Fen Dual Lead Cortical Grip Poly Axial Screw 4. Magnum Plus Dual Lead Cortical Poly Screw 5. Magnum Plus DT Long Tulip Poly Screw 6. Magnum Plus Fen Dual DT Long Tulip lead cortical screw 7. Magnum Plus DT Long Tulip Dual Lead Cortical Screw 8. Magnum plus alar ilium poly Screw		1. Magnum Plus rod Lordosed 2. Magnum Plus Rod Straight.				Magnum Plus INSTRUMENT LIST

Magnum Plus Combination Overview

Screws

1. Magnum Plus Poly Screw

2. Magnum Plus Fen Poly Screw

3. Magnum Plus Fen Dual Lead Cortical Grip poly Axial Screw

4. Magnum Plus Dual Lead Cortical Poly Screw

5. Magnum Plus DT Long Tulip Poly Screw

6. Magnum Plus Fen Dual DT Long Tulip lead Cortical Screw

7. Magnum Plus DT Long Tulip Dual Lead Cortical Screw

8. Magnum plus Alar ilium poly Screw

Rods

1. Magnum plus rod lordosed

2. Magnum plus rod straight

Cygnets Combination Chart

System Name	Brand Name	Screws	Plates	Rods	Connectors	Cross Connectors	Others	Instrument Set Name
Pedicle screw System	Cygnets	1. Cygnets Mono Screw 2. Cygnets Poly Screw 3. Cygnets Reduction Poly Screw		1. Cygnets Rod 2. Cygnets to Alpha Connecting Taper Rod 3. Transverse Connecting Rod 4. Reliant Plus Cygnets Taper Rod 5. R55-cygnets full Taper Rod 5.5-4-600mm	1. Cygnets Domino Parallel 2. Cygnets Extended Connector Axial 3. Reliant Plus Rod to Rod Connector 3.5 TO 4.5 MM -TI	1. Cygnets Cross Connector 2. Cygnets Poly Axial Cross Connector		CYGNETS INSTRUMENT LIST

Cygnet Combination Overview

Screws

1. Cygnet Mono Screw

2. Cygnet Poly Screw

3. Cygnet Reduction Poly Screw

Rods

1. Cygnet Rod

3. Transverse Connecting rod

2. Cygnet to Alpha connecting Taper rod

4. Reliant Plus cygnet Taper Rod

5. R55-cygnet full Taper Rod 5.5-4-600mm

Connectors

1. Cygnet Domino Parallel

2. Cygnet extended Connector Axial

3. Reliant Plus Rod to Rod connector 3.5 TO 4.5 MM -TI

Cross Connectors

1. Cygnet cross connector

2. Cygnet Poly axial cross connector

Denique Combination Chart

System Name	Brand Name	Screws	Plates	Rods	Connectors	Cross Connectors	Others	Instrument Set Name
Pedicle Screw System	Denique	1. Denique Mono Screw 2. Denique Poly Screw 3. Denique Dual Lead Cortical Grip Polyscrew 4. Denique Reduction Poly Screw 5. Denique Uniplanar screw CC 6. Denique Alar ilium Poly Screw		1. Connecting Rod 2. Cygnet to Alpha Connecting Taper Rod 3. Reliant Plus Denique Taper Rod 4. Transverse Connecting rod 5. R55-cygnet full Taper Rod 5.5-4-600mm	1. Denique Domino Connector One Side Open 2. Denique Domino Connector Small Open 3. Denique Domino Connector two side Open 4. Denique Scoliosis Domino Connector 5. Denique Extended Axial Connector 6. Lateral offset connector closed 7. Denique Domino connector	1. Denique Cross Connector		DENIQUE INSTRUMENT LIST

Denique Combination Overview

Screws

1. Denique Mono Screw

2. Denique Poly Screw

3. Denique Dual Lead Cortical Grip Polyscrew

4. Denique Reduction Poly Screw

5. Denique Uniplanar screw CC

6. Denique Alar ilium poly screw

Rods

1. Connecting Rod

2. Cygnet to Alpha connecting Taper Rod

3. Reliant plus Denique Taper Rod

4. Transverse Connecting rod

5. R55-cygnet full Taper Rod 5.5-4-600mm

Connectors

1. Denique Domino Connector One Side Open

2. Denique Domino connector Small open

3. Denique Domino Connector two side open

4. Denique Scoliosis Domino connector

5. Denique extended axial connector

6. Lateral offset Connector closed

7. Denique Domino Connector

8. Reliant Plus Rod to Rod connector

Cross Connectors

1. Denique cross connector

Reliant Plus Combination Chart

System Name	Brand Name	Screws	Plates	Rods	Connectors	Cross Connectors	Others	Instrument Set Name
Spinal Fixation System	Reliant Plus	1 Reliant plus Poly Screw 2. Reliant plus Smooth shank poly screw 3. Reliant Occipital bone screw	1. Reliant Plus occipital arch plate with connector	1. Reliant plus occipital precontoured rod 2. Reliant Plus Cygnet Taper Rod 3. Reliant Plus Denique Taper Rod 4. Reliant Plus occipital plate precontoured rod	1. Reliant Plus occipital plates with connector 2. Reliant Plus rod to rod connector 3. Reliant Plus cable connector open end 4. Reliant lateral offset connector	1. Reliant plus cross connector		RELIANT PLUS INSTRUMENT LIST

Reliant Plus Combination Overview

Screws

1. Reliant plus Poly Screw

2. Reliant plus Smooth shank polv screw

3. Reliant Occipital bone screw

Plates

1. Reliant Plus occipital arch plate with connector

Rods

1. Reliant plus occipital precontoured rod

3. Reliant Plus Denique Taper Rod

2. Reliant Plus Cygnet Taper Rod

4. Reliant Plus occipital plate precontoured rod

Connectors

1. Reliant Plus occipital plates with connector

2. Reliant Plus rod to rod connector

3. Reliant Plus cable connector open end

4. Reliant lateral offset connector

Cross Connectors

1. Reliant plus cross connector

Cofs Combination Chart

System Name	Brand Name	Screws	Plates	Rods	Connectors	Cross Connectors	Others	Instrument Set Name
Cannulated Odontoid Fixation System	Cofs	1. COFS Cortical Screw 2. COFS Lag Screw						COFS INSTRUMENT LIST

Cofs Combination Overview

Screws

1. COFS Cortical
Screw

2. COFS Lag
screw

Caps Combination Chart

System Name	Brand Name	Screws	Plates	Rods	Connectors	Cross Connectors	Others	Instrument Set Name
CERVICAL ANTERIOR PLATING SYSTEM	CAPS	1. CAPS Cortical screw self tapping	1. CAPS Single Level Plate					CAPS INSTRUMENT LIST
		2. CAPS Cortical screw self drilling	2. CAPS Two Level Plate					
		3. CAPS Locking screw	3. CAPS Three Level Plate					
			4. CAPS Four Level Plate					

Caps Combination Overview

Screws

1. CAPS Cortical
screw self tapping

2. CAPS Cortical
screw self drilling

3. CAPS Locking
screw
